About The Organization

Nalanda Social Charitable Trust is a non-profit organization founded in 2024 dedicated to serving communities in need. Through our various programs and initiatives, we aim to provide essential resources, support education, promote healthcare, and empower marginalized groups. Our mission is driven by a commitment to compassion, integrity, and social responsibility. By collaborating with volunteers, donors, and partners, we strive to make a meaningful and sustainable impact in the lives of individuals and communities. Together, we work towards building a more inclusive and equitable society where everyone has the opportunity to thrive.

Founder's Message

Dear Supporters,

As we celebrate the completion of Nalanda Social Charitable Trust's first year, I am filled with gratitude for your unwavering support. Together, we have made a meaningful difference—providing essential resources and empowering communities through medical assessments, bringing hope to many lives. While proud of our accomplishments, our journey continues.

Let's keep standing together, committed to serving humanity with compassion and integrity. Thank you for believing in our mission and making a real impact. Here's to many more years of transformative work ahead!
